

MUSIC

B

Make up new words to an old song.

Create a rhythm pattern with found objects.

Listen to a song that makes you want to move like a mouse.

Make a list of high and low sounds in and around your house.

Teach your favorite song from class to a family member.

I

Listen to a piece of music without words. Draw picture of what you are thinking.

Keep a journal of all the places you hear music in a day.

Watch a musical movie. Draw a picture of your favorite song.

Create movements to go with your favorite song.

Perform a concert for your toys. Make sure they know their concert manners.

N

Practice the steady beat. Move to the beat of a song.

Practice a song from music class at three different tempos.

FREE SPACE

Perform your favorite rhyming book as a rap.

Sing a song from music class in a high voice then a low voice.

G

Make an instrument using found objects in your home.

Read your favorite Dr. Seuss book with a singing voice.

Find things that are fast and slow near you house.

Sing a song from class using nonsense sounds instead of the lyrics.

Make a rhythm pattern using Legos. You need some long and short sounds.

O

Make a list of loud and soft sounds in and around your house.

Sing a patriotic song. Get your family members to sing with you.

Sing your sight words list to your pet or stuffed animals.

Listen to a song that makes you want to move like an elephant.

Create a body percussion song that uses at least three different levels.
